On the edge of wilderness

Camp Information Guide

# WELCOME LETTER FROM THE DIRECTOR

Dear Campers and Families,

Welcome to the Camp Deka family and thank you for choosing the YMCA for your child's summer camp experience. We look forward to having your child at camp and our staff are preparing to ensure all campers have a positive and successful camp experience. The YMCA of Greater Vancouver and the YMCA-YWCA of Kamloops are proud to be partners in such an important endeavour!

This guide has been put together to help answer any questions you might have about the upcoming summer. Making sure campers understand expectations and guidelines before arrival is an important part of the transition to camp life. Please take the time to review the information in this guide with your camper to prepare them for their adventure!

If you have any questions or concerns, please do not hesitate to contact us prior to your child's camp visit. Early communication allows us to address questions and concerns before your child starts camp, ensuring an easy transition on the first day. Our year round office is located at YMCA Camp Elphinstone until July 2<sup>nd</sup>, 2010. As of July 3<sup>rd</sup>, 2010 we will be at Camp Deka, "on the edge of the wilderness".

We are very excited about this summer and the 2010 staff team is looking forward to being up at the lake and providing an amazing camp experience!

Yours in camping,

Annie Markvoort  
Camp Director

# CAMP ACTIVITIES

Over the course of your camp experience you will have the opportunity to try a wide variety of activities and games. In everything we do at YMCA Camp Deka we emphasize creativity, imagination and adventure in a safe, fun-filled atmosphere designed to encourage growth and the development of self-confidence.

Mornings feature interest groups, a formal lesson in a camp activity of your choice. You will have the opportunity to learn and practice new skills in at least three different program areas through interest groups.

The principal unit of activity for the rest of camp is the cabin group which includes the two group leaders and nine other campers you will be living with at camp. ZAP happens in your cabins and is a rest period so you can reenergize and your cabin group can plan the rest of the day. Afternoons are an opportunity for cabins groups to plan and participate in recreational activities. Everyone has the opportunity to voice their opinion during the planning of cabin events.

Evening programs range from campfire to Capture the Flag. Most evening programs are run for the whole camp and give juniors, intermediates, seniors and leadership campers an opportunity to get to know one another and have fun as a whole camp family.

At YMCA Camp Deka we do our best to foster an atmosphere of cooperation rather than competition. When we run an activity containing elements of competition we focus on challenging you to achieve your own goals rather than measure your accomplishments against the achievements of others.

The bus takes seven hours, one way, with a rest and meal break. Lunch is provided. YMCA Camp Deka staff members will be on the bus to help make the trip enjoyable and well supervised.

- The bus departs from Burnaby Central School (4939 Canada Way at Kensington) at 8:30am on the Monday of your session. It then travels to the Chilliwack Family Y's Hocking Centre (45844 Hocking Ave., Chilliwack) for 9:30am, departing at 9:45am.
