Bringing people together

Child Care Volunteer Open House

Interested in volunteering with children?

For 125 years, the YMCA of Greater Vancouver has been part of the community, a place where people of every age and background find the support they need to grow in spirit, mind and body. The YMCA is about bringing people together, and whether the goal is better health, stronger families, or a greater sense of connection or belonging, together we make our community stronger. One of the Lower Mainland's leading charities, the YMCA of Greater Vancouver has an operating budget of more than \$31 million, and provides services in health & fitness, child care, camping, employment & community services to over 95,000 participants annually.

YMCA Child Care, the largest provider of licensed child care in the Lower Mainland, serves over 2400 children between the ages of 6 weeks and 12 years at over 50 licensed facilities throughout the Greater Vancouver area. We have volunteer opportunities in both our early childhood and school-age afterschool programs throughout the Lower Mainland and are looking for energetic, engaging individuals who enjoy working with children.

We are currently seeking volunteers for the **Y Kids r Cooking** or **Creative Writing** programs. If you're looking to gain valuable experience in helping children develop writing or healthy eating skills, we want to hear from you! We will be hosting an Open House which offers a great chance to gather more information about these two opportunities, the various locations, requirements and any other questions you may have!
