Cancellations...

Game times and locations are subject to change should gym space become unavailable for a given night. In the event this occurs, the YMCA will make every attempt to relocate teams to an alternate game site location and give adequate notice to all participants. Please, keep in mind that at times, schools may cancel the YMCA's use of a gym due to a school function, and may neglect to tell us until the last minute. We apologize for any inconvenience but these cancellations and changes are beyond the YMCA's control.

Take Care of our Gyms

Please also remember that our use of these school gyms can and will be cancelled at any time if we are abusing the facilities. Ensure that younger children are supervised at all times when on school grounds or in school and school facilities. The YMCA only has access to the school gyms. Please donot allow your children to wander around the hallways. IT IS VITAL that you respect the facilities as well as their staff, please treat school staff with the utmost respect as they often go out of their way to help accommodate the YMCA user groups. Abuse to a school or school board staff by either parents or participants can lead to removal from the program without refund.

Family Involvement...

We want to encourage parents and families of the participants to continue to be actively involved with their child's team both in practice and games. Youth Sports are family programs at the YMCA, and your active involvement is a huge encouragement to coaches and participants.
