

Who We Are:

The YMCA of Greater Vancouver is one of the Lower Mainland's leading charities, providing services in child care, literacy, camping, health and fitness, employment, and community services to over 30,000 participants annually.

We build strong kids, strong families, strong communities – and incorporate our core values of honesty, caring, respect, and responsibility into everything we do. Sound like a place you'd fit in? We want to hear from you!

Opportunities in Early Childhood Education:

The YMCA Child Care Division is the largest provider of licensed child care in the lower mainland – we've got 1,500 children between the ages of 6 weeks to 12 years at over 50 centres – and we need dedicated and energetic staff to provide the services we promise and that families expect and deserve.

As an Early Childhood Educator, you'll provide care and creative programming for young children in a group setting. We have 16 centres in Vancouver, Richmond, Coquitlam, Maple Ridge, Burnaby, and Surrey – each with its own unique flair, but still very much connected by the deep rooted values of the YMCA.

We are looking for qualified applicants to start their career with us as **SUBSTITUTE/ON-CALL STAFF**, in order to experience the variety of what each centre has to offer, and find their niche within our community. From this starting point, there are many career paths to follow, including opportunities for full-time employment for the right person, and we encourage internal promotions and transfer.

You're guaranteed a competitive wage, an open and welcome environment, training opportunities, and room to grow in your career.

What You'll Need to Be Successful:

You're dedicated, like we are, to our Playing to Learn philosophy - and have a genuine interest in making a difference every day in a job that matters.

You've worked with children and families before, and have completed courses in Early Childhood Education. If you're looking to substitute, a license to practice is not required, but we'll help you get there! You are First Aid certified, at least 19 years of age, able to provide three references, and are willing to obtain a criminal record check.

Are you ready to share your community with ours? Apply today! Send your cover letter and resume to: childcarejobs@vanymca.org
