Strong Foundations Strong Communities Capital Campaign

Bringing People Together

Celebrating Success

In 2004, the YMCA of Greater Vancouver, with the help of outstanding volunteers, set forth on an ambitious new capital campaign. The goal was to raise \$13.5 million for several major YMCA community projects. When completed, these projects would provide countless opportunities for people to experience YMCA programs that improve health, develop potential in children and youth, and strengthen families and communities.

Six years later, we celebrate the incredible success of the YMCA Strong Foundations Strong Communities Capital Campaign. The new Bob and Kay Ackles YMCA Nanook House is helping some of the city's most vulnerable children grow up safer and healthier; the new Robert Lee YMCA is bringing people together for better health and new opportunities; the expanded Tong Louie Family YMCA is making a difference in the lives of even more children, youth and families; and YMCA Camp Elphinstone is in the first phase of a renewal project that will provide new learning and leadership opportunities for all campers.

Thank you to all our donors, campaign volunteers and supporters for helping us bring people together and build stronger, healthier communities.

Total Amount Raised: \$15.5 million

Mission

We are a charitable association dedicated to the development of people in spirit, mind and body as well as the improvement of local, national and international communities.
